PROFESSIONAL EXPERIENCE

Data Analyst | Magnus Innovative Technical Services Pvt. Ltd. — Manjeri, Kerala

Jun 2026 – Aug 2026

- Tracked and maintained franchisee performance and student OJT placement data covering shop assignments, attendance, payment collections and stipend disbursements.
- Built an automated Google Sheets attendance-tracking workflow using LET formulas, COUNTIF-based summaries and IMPORTRANGE integration, with Apps Script triggers for time-based sheet controls.
- Collected, cleaned and validated departmental data to maintain accurate operational records and reporting datasets.
- Prepared daily, weekly and monthly operational reports and coordinated with franchisee and marketing teams to track progress and resolve reporting requirements.

Data Analyst Intern | Iqraa Mark Pvt. Ltd. — Kozhikode, Kerala

Apr 2026 – Jun 2026

- Worked hands-on with Excel and Word for reporting, and built an interactive Power BI dashboard that surfaced a 73% female target-audience engagement bias, directly shaping product positioning and launch strategy.
- Synthesized open-ended survey responses into quantified feature-priority rankings, informing design of a low-cost paid mini-trial onboarding model.

Business Analyst – Sales Operations | Zoya Business House, Sultanate of Oman

Sep 2023 – May 2025

- Analyzed 500+ monthly order and inventory transactions to identify stock movement trends, discrepancies and operational data issues.
- Developed automated Excel dashboards to track daily, weekly and monthly sales performance across multiple product lines, reducing manual reporting effort by ~20% through Power Query automation.
- Analyzed customer purchasing patterns to support sales forecasting and procurement decisions.
- Collaborated with sales and warehouse to validate data, resolve reporting gaps and improve consistency of weekly operational reports.

PROJECTS

Retail Sales Analysis Dashboard | Excel · MySQL · Power BI
